

# BRAND NEW SHOES

Diane Kordas ©2004

I had a friend named \_\_\_\_\_  
Who bought some brand new \_\_\_\_\_ shoes  
He/she had to break them in ouch!  
So I told him/her what to do  
Jump up  
Then down  
Then he/she twirled around  
He/she laughed with glee tee hee hee  
Then rolled all over the ground.

*I came up with this song after listening to lively Irish jigs, and buying some new shoes that did not feel very good. After a day of doing this song, the shoes felt great! Use motions with this song! Rather than rolling, do rolling movement with arms. My 1st grade class of 28 children each wanted their names and particular choice of shoes in this song, as did 15 toddlers in another group!! It was a hit!*
